

PUYFROMAGE ROSÉ

Specification sheet – vintage 2014

Appellation : Bordeaux Rosé

Soil composition : clay and limestone, limestone bedrock

Grape varieties : 100% Merlot

Growing techniques : Double guyot pruning, grass covered ground under control, phytosanitary protection by sustainable treatment, mechanical harvest, sorts at the reception.

Vinification : at low temperature to preserve the aromas and the freshness of fruits.

TASTING NOTES - APRIL 2015

Colour of the blush pink with the bright reflection

Nose with a pleasant intensity, dominated by the aromas of peach and exotic fruits.

Palate fruity, full, supple and silky with a lovely freshness of the citrus fruits.

PAIRING SUGGESTIONS

Wine as an aperitif and with the summer meals: barbecues, salads, desserts...
